ECHOES OF DARKNESS SERIES

MARIANNE GREY

A captivating dark fantasy series where shadows whisper, and nightmares remember.

For fans of "ACOTAR", and "Fourth Wing" series.

Blurb:

"When fire and fury destroy her quiet life in Mysthaven, Nyaxia must navigate a world of trials and secrets to find her vanished family. In a world where shadows bite, and power comes with a price, she must decide who to trust, and who she is destined to become. The journey deepens as the fabric of The Nether begins to unravel. New alliances are forged in the dark, and the cost of the truth may be higher than anyone imagined."
